

Creating SimChart My Clinicals Assignments

1. Go to <https://evolve.elsevier.com>.
2. Click on **Login** in the upper right hand corner of the screen and enter your **Evolve Username and Password**. If you don't remember your login credentials, there is a 'Need help logging in?' link. (Note: you will be prompted for your first name, last name, Evolve username or email address.)
3. Access your SimChart Course (ex. SimChart NR302 ADD MAY 2015)

Simulations - SimChart COURSE ID: 10613_caddison28_1006 INSTRUCTOR: CCN Addison
 SimChart NR302 ADD MAY 2015

4. Using the left navigation pane select **SimChart Setup** (SimChart Setup will show up in a second tab or window)

The screenshot displays the SimChart course interface. On the left, a navigation pane titled 'COURSE CONTENT' lists several options: 'Content Home', 'SimChart Setup', 'My Clinicals', 'Case Studies', 'Simulations', 'Practice Assignment - My Clinical', 'Practice Assignment - Case Study', 'SimChart Practice Simulation', and 'Graded Assignments'. A red arrow points to 'SimChart Setup'. The main content area, titled 'Content Home', features an 'Add Content' button and three content blocks: 'SimChart Setup', 'My Clinicals', and 'Case Studies'. Each block includes a lock icon and an 'Edit' button.

- Name your assignment (ex. Head to Chest – Your Initials), include any Assignment Objectives and or identify any Competencies, if applicable and select Publish

Clinical Setup

Assignment Title (required):

Head to Chest
